Local Disaster Management Plan

2022 - 2023

Prepared under the provisions of the Disaster Management Act 2003, ss. 57 & 58

Foreword

The Pormpuraaw Local Disaster Management Group, Local Disaster Management Plan has been prepared by the Local Disaster Management Group in accordance with the Disaster Management Act 2003 Section 57 (1) to ensure that effective coordination of resources necessary to counter the effect of disasters with the Pormpuraaw council area.

The focus of the document is on using an 'all-hazards' functional approach, minimising impacts on disaster-affected communities, by ensuring a coordinated effort by all levels of government and non-government entities with responsibilities or capabilities in comprehensive disaster management.

This is a dynamic, risk-based document that will be kept up to date to match changes in legislation, or in the community's risk profile, and to reflect learnings from disaster events here and elsewhere.

As a community we are unable to prevent a disaster event from happening, however, we are able to minimise the adverse effects a disaster has on a community (both economically and socially) through comprehensive planning and preparation and managing effective response and recovery.
