11.3 LIQUOR LICENCE FOR PUBSC BUS

EXECUTIVE SUMMARY

For Council to provide feedback on the application for the Pormpuraaw United Brothers Sports Club Bus to transport patron and staff that will exceed the individual carriage limit for a vehicle.

RESOLUTION NO: 2025/181

That Council resolved not to support the application for the Pormpuraaw United Brothers Sports Club (PUBSC) to transport patrons and staff from the clubhouse to their place of residence with their permitted allotment of legal alcohol in their courtesy bus Hyundai Staria four wheel drive registration 421 M M4. Instead would support a condition that prohibited the transport of alcohol during dedicated off premises sale periods or when providing off premises sales only. This would allow PUBSC to transport patrons from the club after they have consumed alcohol on the premises to allow them to comply with the main purpose of their licence for on and off premises consumption.

Rationale:

The context of this conditional support by council is to encourage on premises consumption and attract patrons back to the club who provide regular feedback that the trading hours of the on premises supply is erratic and unreliable and therefore dissuades residents from attending. Turning to sly grog is often a result. It appears at times that club operates more like a bottle shop then a club providing on premises services to its membership.
