November 2025

Pormpuraaw Airport upgrades were completed in time to avoid any wet season issues. The reopening of the air-strip was on 3 November 2025 – after a game of cricket.

Our work in Pormpuraaw wasn't just about rebuilding an airport, it was about being part of a community that is constantly striving to strengthen and protect its people – Durack Civil.

I missed most of November while I was on annual leave, CEO Janelle Menzies writes ...

Thank you to Robbie Morris for filling in for me while I was on leave as Acting CEO, he did a great job keeping everything in order while I was away.

Robbie will stay on in the Acting Executive Manager, Operational Services until the end of January when our new Executive Manager starts.

I returned from leave just in time for the Christmas party and Santa's visit to the Pormpuraaw United Brothers Football Club, where everyone, adults included, really got into the Christmas spirit.

Deputy Mayor Tim Koo-Aga and I were also at the Year 6 Graduation and took the opportunity to present 12 students with their certificates and gift cards on behalf of Council.

Rubbish watch

Council is undertaking a major clean-up of the refuse area.

All users of this facility are requested to separate any rubbish into the banded areas as per the new signage directions

A new CCTV system will be operational this month and will provide Council with 24-hour surveillance of the whole facility.

This will allow Council to monitor all users and fine users for non-compliance with separation requirements

Staff

The only starter in November was our new facilities cleaner Ada Williams.

Stars of the Month

Gavin Kendall and Glen Simpson

to their dedication to their work with great attendance and being great mentors of the rest of their teams.

Our Star team of the month, for great initiative, work and leadership, was the Carpenters team who identified manual handling and working alone hazards, and offered to assist at the Admin Store relocating heavy items in preparation for receiving Tuxworth truck during Fred's (forklift operator's) absence.

First Aid and CPR Training was

undertaken earlier in the month, as was our six-monthly fire equipment servicing.

Be safe, everyone.

Janelle

From practiced to prepared: First Aid/CPR complete

In early November, Pormpuraaw Aboriginal Shire Council staff refreshed their First Aid and CPR skills to boost workplace safety and community care.

Mickey wins award for excellence

Pormpuraaw midwife Michaela (Mickey) Pacini has won a Torres & Cape Hospital and Health Service (TCHHS) award for excellence.

The ‘Better Care Together’ award went to the Maternal, Child and Family Clinical Midwife Consultant in recognition of her collaboration across boundaries and partnerships to improve experiences for consumers, families and communities.

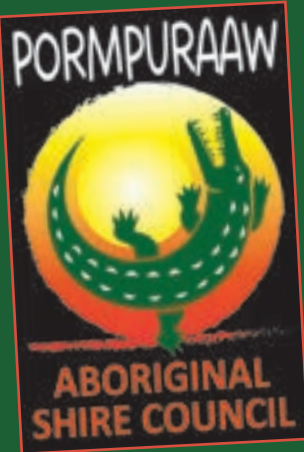

TCHHS said Mickey had earned deep respect from the community, her patients and her colleagues at the clinic, which has helped boost immunisation rates for mums and their babies.

They said each of their winners – and the finalists in each category – was the embodiment of the character, skill and commitment strived for in TCHHS.

“The Awards for Excellence have highlighted what makes TCHHS unique – our people, our commitment to cultural safety and our shared purpose to serve our communities with respect, skill, and compassion,” TCHHS CEO Rex O’Rourke said.

“As the Chief Executive, I am fortunate to have such dedicated, skilled, and innovative people whose contributions elevate the care we deliver every day.”
